FLANNAGAN'S DUBLIN HIGH SCHOOL SAND VOLLEYBALL RULES AND REGULATIONS

1. A team consists of 6 players. You must play with at least 5 players, 2 of which must be girls if you are on a co-ed team. Never more than three boys on the court at a time for the co-ed league.
2. **It is considered a forfeit for your team if you have less than 5 players.** You are welcome to play an “exhibition” game, but it will count as a loss in the standings. (Even if the other team agrees to allow you to play with 4 players, Flannagan’s will recognize the game as a loss).
3. Each member of the team shall serve in turn, (rotating clockwise).
4. The server shall stand with both feet behind the rear boundary line and may not step on or over the boundary line until after the serve has been hit.
5. If a player touches the ball or the ball touches a player, he/she is considered as having played the ball, (exception: a block is not considered a hit). Each team may hit the ball 3 times before the ball is hit to the opposing team.
6. Players are not permitted to scoop, hold, or lift the ball. **Players may not touch the net.**
7. Players are not permitted to spike the ball on the serve. Players aren’t allowed to come from back to front to spike.
8. It is legal to contact the ball with any part of the body above the knee as long as the ball rebounds immediately and does not “lie” against the body. Kicking is not permitted.
9. It is permissible to run out of bounds and play a ball before it contacts an object out of bounds. Once it hits an object out of bounds it is a dead ball.
10. When a ball touches a boundary line, it is considered good.
11. A ball touching the body more than once in succession is considered a double hit and is illegal except when blocking or on a hard driven spike.
12. A ball hit into the net by a team may still be kept in play provided the net isn’t touched by the players or it is not the third hit.
13. A ball is still in play if it hits the net and goes over into the opponent’s court during the volley and the serve.
14. If 2 players contact the ball simultaneously, it counts as one hit and either player may play the next hit.
15. A spiker must contact the ball on his/her side but may in the course of the follow through cross over, but not touch, the net. A player may never cross the plain of the net while blocking.
16. Fifteen points wins the match. Teams must win by 2 points with a 21-point cap. Games will be **best of 3 or 1-hour MAXIMUM** matches.
17. Substitutions may be made during the game into the server position only. Males must sub for males and the same for women.
18. Players may cross the centerline below the net during play provided that this does not interfere with the opponent’s play.
19. Team names should be fun and in good taste. Flannagan’s has the right to ask any team to change its team name should we feel it’s inappropriate.
20. **Flannagan’s volleyball coordinators have the authority to make any/all final decisions on anything questionable and/or any issues not covered in this packet.**
